Education

Gateway Polytechnic

Computer Science — 2024

National Youth Service Corps (NYSC) Certificate

Experience

Frontend Developer (Remote) — 3–4 Years

- Built and deployed responsive web applications using HTML, CSS, JavaScript, and React
- Developed e-commerce, booking, and food-ordering systems with cart logic and dynamic pricing
- Integrated Flutterwave payments, multi-currency checkout, and WhatsApp order confirmation
- Used Supabase for backend data storage and admin dashboards
- Collaborated with designers using Figma to deliver clean, accessible UI
- Optimized performance, mobile responsiveness, and cross-browser compatibility
